

YOU'RE INVITED

Stationery sets that suit springtime soirées beautifully.

This captivating new invitation suite combines rich jewel tones with modern color blocking, resulting in striking stationery for any celebration. The “Simple Allure” collection created by famed event planner **Mindy Weiss for Wedding Paper Divas** recently debuted, with additional styles available later this year, and focuses on themes which reflect Mindy’s top wedding trends for 2015. *Shown here: front/back invitation, menu card, program, and response card; weddingpaperdivas.com*
