

YOU'RE INVITED

Invitation suites that showcase vibrant designs for summertime festivities – and beyond.

Initially inspired by the favorite wallpaper used in the former home of the bride, this couple opted to produce a darling custom collection of stationery pieces featuring foliage, fauna, and potted florals. Muted tones and handmade components detailed with watercolor make this letterpress set by **Lehr and Black** as sophisticated as it is sweet. Shown here: invitation printed on cotton paper, response card, and itinerary card; lehrandblack.com

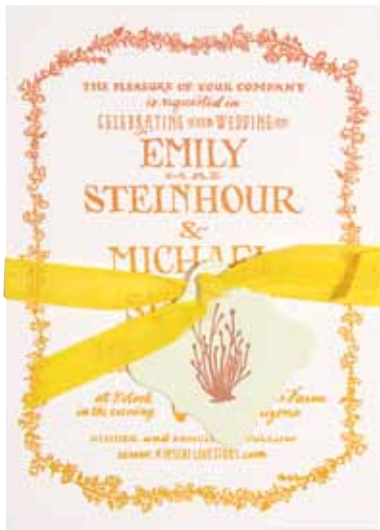

"Heart and Whimsy" wedding invitation with watercolor design by **Invitations by Dawn**; invitationsbydawn.com
